Edinburgh 2010

Edinburgh 2010 is a multi-denominational and international project set up to commemorate the 1910 World Missionary Conference, and to provide new perspectives on mission for the 21st century. From 2 to 6 June 2010 a Centenary Conference will take place in and around the historic sites of the 1910 conference. The consultation at St Ethelburga's in London is part of the 2010.global initiative.

About us

St Ethelburga's Centre for Reconciliation and Peace was created from the ruins of a mediaeval Church destroyed in the Bishopsgate bomb in April 1993. The Centre is now a unique space in the heart of the City of London in which we aim to inspire and equip people to practice reconciliation and peace-making in their own communities and lives. It hosts more than 100 public events a year exploring the religious dimensions of conflict, as well as private dialogues between people in conflict, and projects which promote inter-faith collaboration and encounter.
